Art Goes Green!!!

Rain Barrels creatively decorated by Andalusia High School art students are now on exhibit at the Andalusia Public Library. Rain Barrels provide a simple and convenient way to harvest rainwater for use with lawns and gardens. The barrels also assist with water conservation and reduce the amount of storm water runoff. The rain barrels may be viewed during regular library hours; Monday thru Friday, 8:00 to 5:00 and Saturday, 8:00 to noon.

For more information about rain barrels, contact:
