

# Scholarship Application

## City of Andalusia Youth Sports

If you have any questions, please contact Caitlin Shipman, Program Coordinator of Athletics, at 334-428-2106 or [caitlin.shipman@cityofandalusia.com](mailto:caitlin.shipman@cityofandalusia.com).

If you have a financial need, you may qualify for a scholarship for your child/children to play sports. The cost is \$20.00 per child to apply. Thus, you will need to fill out a scholarship application for each child that you are applying for. If you are rewarded a scholarship, then you will not need to pay any additional costs. If you do not qualify, the \$20.00 will be applied to the regular fee charged for a particular sport. You will need to also fill out a Registration Form.

Why should your child be considered for this scholarship?

A youth sports administrator will notify you, if your child does NOT qualify for the Scholarship! Understand that if your child does not qualify, the remaining amount will need to be paid towards their registration fee, before they will be assigned to a team.
